Mike's Comments

*"There is a lot of Fastnet Rock in him body wise, he had a really good brain.. I was really taken by him and he was very much a must buy for me. He's a real Derby horse"*

Paul's Comments

*"We found a cracker, here at Karaka... He's a Quality colt! It's exciting to buy a horse at this level that could train on as a four or five year old and contest some of the best Group 1 races in Australasia"*
